1981-2016: 35 anni di una storia italiana

1981-2016: 35 years of an Italian history

Nelle foto:

Alcune pietre miliari della produzione Oceano Oltreluce.

In the photos:

Some milestones of Oceano Oltreluce production.

QUI NASCE LA LUCE

L'azienda, produttrice di apparecchi d'illuminazione nasce a Milano, nel 1981, dall'idea di un piccolo gruppo di giovani designer. La società, fin dall'inizio, propone forme, tecniche e materiali innovativi: pochi modelli ogni anno e tanta attenzione a distinguersi sul mercato.

Dal 2003 Oceano Oltreluce ha trasferito la propria officina artigianale in Brianza - a 30 chilometri da Milano -, all'interno di un'antica dimora storica.

Tutti i prodotti nascono qui dentro e le lavorazioni esterne sono a meno di 30 chilometri di distanza.

In questo catalogo vengono presentate le collezioni Oceano Oltreluce e Alluminia.

Nell'immagine grande, la storica Villa Greppi di Bussero, sede degli uffici e dell'officina di Oceano Oltreluce.

Nelle foto piccole l'ingresso alla corte dell'azienda e alcune fasi della lavorazione artigianale.

In the main image, the historical Villa Greppi di Bussero, headquarters of Oceano Oltreluce. In the small pictures the entrance to the courtyard of the company and some stages of the production.

HERE COMES THE LIGHT

The company, producer of lighting fixtures, was born in Milan in 1981 by the idea of a little group of young designers. From the beginning the company proposes shapes, techniques and innovative materials: a few models every year and much attention to stand out on the market.

Since 2003 Oceano Oltreluce moved its headquarters and production workshop 30 kilometers from Milan - inside an historical villa - in the green heart of the Brianza countryside.

All the products are born here and the externals suppliers are located less than 30 kilometers away from the company.

In this catalogue are presented the collections of Oceano Oltreluce and Alluminia.

Finish: Matt white* / Chrome**

* **Code:** ALD00350

** **Code:** ALD00351

ME.LACQUA

Plafoniera ultrapiatta con diffusore in metacrilato sabbiato. Utilizzabile anche sopra alle cabine doccia grazie al grado di protezione IP44.

Design: Mario Belloni

Led: 17 W - 2200 Lm - 2700 K - 220 V

Apertura angolare: 120°

CRI: 80

Materiale: Alluminio

Finitura: Bianco opaco

Codice: ALD00470

Ultra flat ceiling lamp with a diffuser in sandblasted methacrylate.

Thanks to the IP 44 is possible to fix the lamp above the shower stall too.

Led: 17 W - 2200 Lm - 2700 K - 220 V

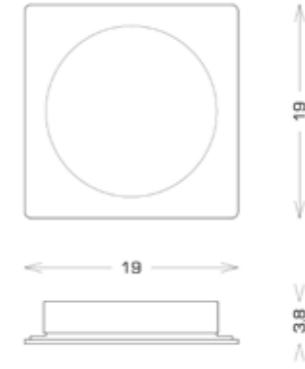

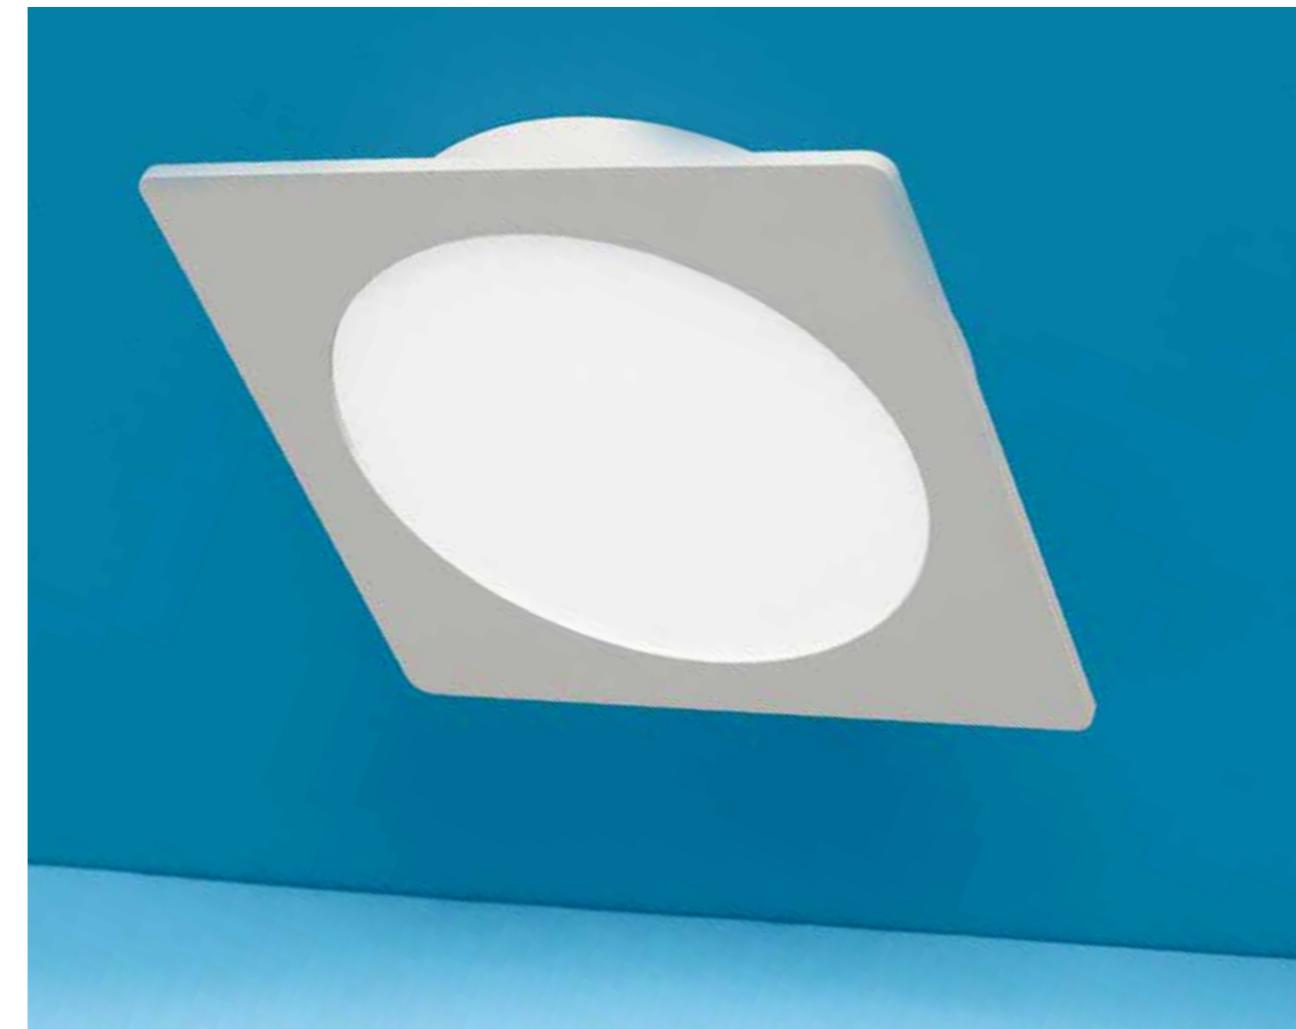

Viewing angle: 120°

CRI: 80

Material: Aluminium

Finish: Matt white

Code: ALD00470

ME.LAFISSO

Alla ceramica della struttura viene abbinato il moderno led. Una plafoniera che può anche essere affiancata in serie utilizzando un solo punto luce.

Design: Mario Belloni

Led: 12 W - 1200 Lm - 3000 K - 220 V

Apertura angolare: 120°

CRI: 80

Materiale: Ceramic

Finitura: Bianco panna

Codice: ALD00481

The ceramic structure is combined with the modern led. A ceiling lamp which can be used singularly or in series, by maintaining a single electrical socket.

Led: 12 W - 1200 Lm - 3000 K - 220 V

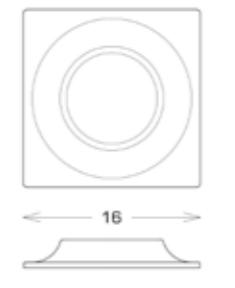

Viewing angle: 120°

CRI: 80

Material: Ceramic

Finish: Creme white

Code: ALD00481

ME.LATTACCO

La prima nata della famiglia ME.LA, con led a tensione di rete. Lampada minimale, offre una luce uniforme garantita dai 3 moduli led in linea.

The first born of ME.LA family, with a mains voltage led. Minimal lamp, which provides a uniform light guaranteed by the three led modules in a row.

Design: Mario Belloni

Led: 3 x 8 W - 3000 Lm - 3000 K - 220 V

Apertura angolare: 120°

CRI: 80

Materiale: Alluminio

Finitura: Bianco opaco

Codice: ALD00440
